

Featured partner placements.

Founding partner rates for the 2026 Australian and 2026-27 Japanese seasons.

feelzlike is the weather app for people staying in resort towns across Australia, Japan and New Zealand. Every morning our visitors decide which mountain to drive to · a featured partner is the transport or accommodation name they see first.

What a featured partner gets

TOP PLACEMENT

Your card sits above every other operator on the transport page of each town you serve, all season.

EVERY TOWN YOU SERVE

One regional deal covers all of your towns
· e.g. Mansfield, Bright, Mount Beauty, Harrietville and Dinner Plain in Victoria's High Country.

DIRECT BOOKING LINKS

Phone, website and timetable links go straight to you. We take no commission on anything you sell.

HONEST LABEL

The placement carries a clear "featured partner" label. Our readers trust the app because nothing is disguised · that trust is what you are buying into.

Terms in plain language

- **Seasons.** Australia: June to early October. Japan: December to late March.
- **Joining mid-season?** The fee is pro-rata by month for the months remaining.
- **Founding partner promise.** Your rate is locked for your first renewal.
- **Payment.** Upfront, on invoice, before the placement goes live.
- **What we do not sell.** We never remove or demote other operators, and free listings stay free. We sell prominence, never the market.
- **No performance guarantee.** We are an early-stage, growing audience. We do not guarantee clicks or bookings, and we will not pretend otherwise.
